

Edouard Biwoule

React Developer/Frontend Developer

Irving, TX 75061

edouardbiwoule@gmail.com

+1 817 378 6689

I went to college for computer science and completed 3 certificates in frontend development. I am passionate about programming and technology; as a self-taught, I read a lot. Science and technology are moving so fast that sometimes companies can't follow it up so my zeal to learn will be a great input to your company in an industry that is mutating every day. I love discovering new technologies, so I am learning every day, yet there is still so much to learn...
